

STEP 2 OF 2

Turn on AmazonSmile in the app

Enable notifications in the next step to turn on AmazonSmile and start generating donations while you shop in the app. It's that easy.

The next screen you see should look something like this

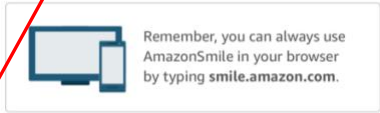

Step 10:
Tap Next

After hitting next, you should see a screen like this

To keep AmazonSmile ON in the app, you must have Notifications enabled.

✓ **Notifications are on**
You're all set here!

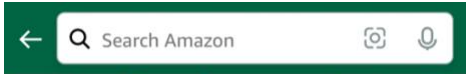

Step 11:
Tap the Turn on AmazonSmile button

After hitting the turn on AmazonSmile button, you should see a confirmation page that looks something like this letting you know that you've successfully completed the steps

Step 12:
Start shopping knowing that Amazon will make a small donation (0.5%) to PTIA East every time you make a purchase

Thank you so much for your support and donation !!!

Welcome!

You've joined millions of shoppers who have generated over \$422 million for charity, so far.
