PTIA EAST Board – Board Openings Election 2023/2024

To be held at PTIA meeting on May 2nd, 2023 via Monthly PTIA / Principal Griffin ZOOM meeting

All candidates who are interested in volunteering their name for a role on the board or committee should plan to attend or assign someone to represent your candidacy for the position you are running for. We will have a written statement of all candidates available but ideally want to hear from you in person. The Election will be held on May 2nd 7-8:30pm.

All Bios/Candidacy Statements will be made available to IAE parent community via Griffin's weekly newsletter and a PTIA email as well as a posting in FB and on our website after the April 14th initial deadline.

Election Process:

After all candidates have had 1 min to introduce themselves and share why they would be good in the position they are running for and we will provide all attendees access to a google form link to conduct a general body vote and release the results during the meeting. A motion to install the new board will be made unless there is a tie for a position.

We will ask that newly installed board members be available for at least 2 Zoom / or In-person meetings prior to the end of June to transition with existing officers or committees to help transfer knowledge and be available for summer planning meeting as a new Board to start the school year organized and ready.

Thank you in advance for considering running for a role on your PTIA and helping support this amazing TOP 52 high school / IB program and the teachers, students and school community.

If you have questions, please connect with your email and phone to ptiaeast.sec@gmail.com or with Kaushika.Bhogal@gmail.com, current President of the PTIA EAST Board.
