“Discover possibilities for your professional future. Learn how these parents navigated high school / college and started their careers. How they landed their first internships, jobs and the skills they learned early on that have helped them the most. They were in your shoes at one point too. Get inspired & Learn from our community of talented parents.”

*This panel is the 2nd in our series of Career Explorations Initiatives.
OPEN TO ALL IA STUDENTS (IAE, OKMA and IA WEST). Hosted by IAE PTIA*
